

IMPORTANT INFORMATION ABOUT YOUR TRAINING PROGRAM LOCATION! PLEASE READ!

As you may or may not have heard, CONQUEST IS MOVING!!! We know that change can often times be unsettling, so we are doing everything we can to make the transition as smooth as possible for everyone. I trust you know that the only thing that is changing is our location- Our commitment to you is the same! In fact, that was a big reason for making the change as it will prevent us from raising prices, allow you to experience new and exciting classes, and leverage our strategic partnership with F1 Race Factory.

For some clients, the change will not affect you at all. For others, your training location will move to a new location with a larger training room, which will allow us to spread out a little more for role plays and exercises. If we come to you, it won't affect you at all.
